Safety First

Up the street I look and see
If any traffic's near to me;
Down the street I look as well
And listen for a horn or bell.
There's something coming-wait a bit!
If I run out I may be hit!
But now the road is really clear,
No car or motor bike is near,
I'll run across the road so wide....
Hurrah! I'm safe the other side.
